When it comes to buying Equine Supplies and Rider Apparel, often the best Quality Products for the Best Value are the most in Demand. These Products gain many Loyal Customers that will buy and utilise them Time and Time again for Years on End. Equestrians go on their merry way through life, the Amount that we can have Equines as part of their lives ebs and flows. Different Circumstances early, Mid and Late in Life all contribute to not only the Possibility of having any Equids, but also the Amount of Time and Energy they can spend

Advances in the Understanding of Care and Veterinary Medicine have increased the Lifespan of Horses, just as improved Medical and Nutritional Knowledge has benefited Humans. This means Horses and Ponies are living Longer than ever just as many People are. The Reality, however, is that some Breeds live Longer than others. Many People report that with Good Care, their Senior Horses continue to live Healthy and Useful Lives. With Careful Attention to Basic Maintenance of a Senior Horse such as Feed, Dental and Hoof Care many Horses can remain Sound and Useful into their Senior Years, and remain a Joy to their Owners even when fully retired.
