Passion For Motherland will be staging a great night of Fashion in London UK

Passion For Motherland Fashion Event

London United kingdom, 06.06.2014, 12:45 Time

USPA NEWS - Miss Lisette Mibo, an award-winning British Model but originally from The DR Congo She is currently based in the UK and organiser of "PassionForMotherland", a fundraising event bringing together mixture of music, poetry band fashion showcase.

Miss Mibo created this platform to bring like-minded individuals together to celebrate, network and also to discover new talent and at the same time to raise funds and awareness. According Miss Mibo, it's heartbreaking knowing that her beloved nation the Democratic republic of Congo knows little stability with a low quality of living; including poor education system, poor health services and many more ills, despite the country being of the countries in the world with the richest soil, not forgetting millions of children and their families whom are victims of ills brought by decades of war.

As a result , Miss Lisette Mibo is determined to use her talent and any given platform to raise conscious awareness about the challenges facing DR Congo where she came from and one way she can achieve that, is to get her fellow industry connections to support peace and stability in her motherland by participating at the her event.

The Event will take place on thje 22nd of August 2014, at the Cre8 Lifestyle Centre in London. There will be fashion designers from different backgrounds and cultures who will be showcasing their work throughout the night of the event, rasing funds for the organisation "Menelik Education" where Miss Mibo serves as a Good-Will ambassador.

Menelik Education was founded in 2006 by Doctor Theodore Menelik-Mfuni a Congolese citizen living and lecturing in Cambridge to help his motherland but also Cambridgeshire communities. Menelik Education is a community-based organisation in the Democratic Republic of Congo and the United Kingdom, with the goal of spearheading community-driven development initiatives to empower those in need of support through programme such as education, capacity-building, organic farming projects, art and clay works, computer services, Eco-tourism and environmental protection, community managed micro finance, entrepreneurship, orphan and vulnerable children support. for more information visit www.menelikeducation.info
